

Chat about American Money

Sections 6,7, and 8 of Article 1 to the Constitution sets out Congress's powers of the purse.

To learn more, please visit [www. usa.gov](http://www.usa.gov).

All good financial planning (regardless of income levels) should begin with a planning budget.

Housing, Food,Healthcare, Utilities, Transportation, Cellphone, internet, savings, Emergency funds.

The above are items (not nearly complete) which I believe should be considered as essential in personal budget planning.

For those citizens that do not earn adequate money, the Federal government manages Public assistance to help the poor avoid temporary household poverty and help achieve some qualities of American life.

Claim your class:

- Capitalist class
- Upper Middle class
- Middle class
 - a) highly educated, affluent
 - b) college educated white-collar
- Lower Middle class
 - a) semi-professionals
- Working class
- Lower class

The American Workforce is estimated to be approx. 50%; approximately 50% of the balance is married; approximately 330M are thought to be single.

Are you Working class single?

Under the Fair Labor Standards Act. the Federal government minimum wage has been established as \$7.25 per hour.

States and Cities will routinely establish its own minimum wage.

All American citizens are free to seek wages to meet their living quality needs.

What is your LIVING WAGE LEVEL.

God Bless America.
