Has Our Border Disappeared?**

Article IV, Sec. 4

The United States shall guarantee to every State in this Union a Republican form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be converted) against domestic Violence.

It is my personal,belief that the current administration is in violation of the Constitution as the leaders of the Democratic Party watches as our Southern border disappear and the safety and welfare of American citizens lives remain in jeopardy every day.

This administration does NOT protect our border from Invasion!

The Chief Executive of this administration is committing our TAX dollars, MILITARY assets, national commitment to the security of Israel and Ukraine.

Mr. President - America NEEDS you.
