

HAS OUR BORDER DISAPPEARED

Who Can Apply for Asylum?

Anyone can apply for asylum. However, it is a person who considers themselves at risk of SERIOUS HARM in their country of origin, or who is compelled to leave their country in search of safety in another country.

It is clear that the army of people that the Mexican government are escorting through their country do not considers themselves at risk serious harm. It this were so they would remain in Mexico as a SAFE location from harm.

Why does an American Democrat political party consider that the welfare of the worlds population is the responsible of an elected official, of the American public.

Why is it that the American TAX REVENUE is used, WITHOUT the consent of the American tax payer, in support of foreigners.

Why is it that the Democrat political party does not consider the adverse HEALTH exposure that their decision to being foreigners into our country without health certifications. It it possible that the Democrats don't care about the health of Americans?

Why is that the Democrat politician considers the desire of a 3rd world citizen, that has been UNLAWFULLY left in our country, in order to attend college in America (a Dreamer), should be allowed and funded, while the American college students must bear a Trillion dollars in student debit?

Why is it that the elected American politician finds it necessary to establish SANCTUARY HAVENS (Cities) in their State to protect, International cartels, foreign criminals, and

gangs from facing justice of the Federal government of the United States of America.

Our neighbor to the south delights and profits by these irresponsible lapses in American governance.

Ask these questions to your elected officials. Their answers could be very informative.
